

# PRODUCT INFORMATION

## Cyclone PRC

### Press Room Cleaner

*CYCLONE PRC* will clean all washable press surfaces, walls, floors, stairs, rails, light fittings, seats, vinyl tiles, carpet tiles, Perspex guards windows and doors, etc.. Also if *CYCLONE PRC* is used for floor cleaning in conjunction with a high speed buffer a heat generated shine will be produced.

*Spray or wipe on to surface to be cleaned. Leave for a few minutes and rub off with a cloth. Alternatively CYCLONE PRC may be used with a floor scrubbing or mopping machine.*

Powerful - *CYCLONE PRC* is specially formulated to effectively remove stubborn solvent based press room inks, even when cured.

Safe on a wide range of surfaces.

Water emulsifiable - even though *CYCLONE PRC* will remove solvent based press room inks, it can be flushed or rinsed with water.

*CYCLONE PRC* is classified as an "IRRITANT" under the Chemicals (Hazard Information and Packaging) Regulations, which reduces the requirement for heavy duty P.P.E.

Safely removes the most tenacious inks with no need for special precautions or highly trained staff.

Versatile - one cleaner replaces an inventory of products.

The logo for Melpass, featuring a stylized red 'M' followed by the word 'elpass' in blue lowercase letters.
